EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

2. Authorization for this examiner's amendment was given in a telephone interview with Kathleen A. Tyrrell on 11 May 2005.

The application has been amended as follows:

In claim 1, section (a) is amended from "recognize first-entry of a valid identification" to "recognize first-entry of a valid identification, which matches a stored valid identification".

Allowable Subject Matter

3. Claims 1 and 2 are allowed.

4. The following is an examiner's statement of reasons for allowance:

Eisenberg teaches an ATM alert system that uses the ID software to send an alert, but does not disclose recognizing a first-entry of a valid identification, which matches a stored valid identification and determining if a second ID is required based on a user profile.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
